April News from the FKSPCA!

Have you heard the news?
April 2020

FROM OUR DIRECTOR, TAMMY FOX
MATCHING GIFT CAMPAIGN

To Support the Animals During the COVID-19 Outbreak

Dear FKSPCA Supporters:

First, we want to thank you all for your support – many of you have reached out to help during this time of uncertainty and we could not be more grateful for your love for our animals.

Longtime supporters Angie Majors and Linda Downs have decided to make a tremendous impact to ensure the animals’ needs are taken care of by starting a $50,000 Match Campaign! This means for every dollar you donate, they will match it up to $50,000. So your donation is doubled!

Similar to most organizations, we have had to postpone or cancel all of our in-person fundraising events for the coming months. In addition, our doors have been closed since Friday March 20th, and will remain closed until it is safe to reopen. Because of this, monetary donations have decreased and we have had to stop accepting in kind donations to help slow the spread of COVID-19. We have also cancelled all Wellness Clinics, which provide medical services at an affordable cost to our community pet owners. Finally, our front line staff are the foundation of our shelter, caring for the animals daily. Ensuring we can continue to compensate them for this essential job is just as much of a priority as caring for the animals themselves. All of these factors contribute to the loss of revenue which supports the needs of our animals and organization.
This incredible campaign will provide the food, vaccines, medical care and necessities our animals need for the upcoming months of uncertainty. It will also provide essentials for those 'Safe Haven' pets we anticipate caring for whose owners are receiving medical treatment and cannot care for their pets at home.

Please click below to support the FKSPCA’s lifesaving mission by donating to the Match Campaign by selecting 'Emergency Fund' for the animals in need today.

Thank you from all of us at the FKSPCA!

Yours in animal welfare,

Tammy

Are you missing your favorite pets at the shelter? Check out our NEW Cat Cam! Now you can watch the cats of the FKSPCA from the comfort of your own home!
Just go to Fkspca.org and check out our Feline friends today!

While the shelter is still closed, our staff are finding fun enrichment activities for our animals!

Check out Bella getting her first reading lesson with Animal Care Associate Ewa!

April 12th-18th is Animal Control Appreciation Week!

We would like to thank all of our hardworking Animal Control Officers at our Key West and Marathon Campuses who work incredibly hard every day.
Volunteer Appreciation Week is April 19th-25th!

We are incredibly lucky to have an amazing team of volunteers that dedicate their time, talents and hearts to all of animals!

They make a difference in the lives of our animals every day. From our entire shelter and community, THANK YOU for all you do!

SAVE THE DATE!

Spring Social Info!
Karen Thomas, animal communicator and energy healer, works with clients in their homes and remotely using animal communication and offering solutions with energy healing modalities on such things as health issues, behavior issues, stress/anxiety, end of life transitions and more. She is passionate about helping to heal animals in shelters, sanctuaries and rescue organizations. Karen has been a volunteer at the FKSPCA in Marathon since 2003 and is an asset to our organization.

Karen is a graduate and faculty member of Communication with all Life University, and teaches animal communication through the program. She is a Healing Touch for Animals Certified Practitioner and in her former life, she worked full time as a Registered Nurse. Karen lives in South Florida with the loves of her life, her two dogs.

Find out more about Karen and her work at
www.pawsitivetouch.org
Are You Interested in Becoming a Foster?

The FKSPCA is in need of Fosters for many reasons including Hurricane Season, Kitten Season and Emergency Fosters for situations like the COVID-19 outbreak. While we do not need fosters in this exact moment, we need to prepare for all the reasons listed above.

We are continuing to accept applications for Hurricane, Emergency and Kitten Fosters, which we highly depend on throughout the year. If you're interested in learning about our Foster program please email Lindsey@fkspca.org in Key West or Tara@fkspca.org in Marathon.

Thank you!

Learn More About the Foster Program Here!

Do you need some feel good moments in your life right now? Check out and Like our Facebook page or become one of our Instagram followers today! We are posting happy, silly and fun animal content daily just like Reacher below!

Items Our Animals Need Most!

Are you still looking to donate items to our animals?

While we sincerely appreciate your support, to minimize the risk of transferring COVID-19 we have decided not to accept in kind donations at our campuses at this time.

However, if you wish to donate items to our animals, we have updated our Amazon Wishlists with the most
important needs at this time. We sincerely appreciate all your love and support for our animals!

Cole's journey has been a long one, but she is finally in a home she can call her own. After being in our Safe Haven program, her owner was no longer able to take her back and then it became up to us to help Cole learn to trust not only us, but a new family.

After many months, between our dedicated staff and volunteers, Cole became more open and willing to meet new people, including her adopter Renee. We are so elated to have Cole's new life begin in a very loving and patient new family! Renee says she gets plenty of love, walks, and playtime. She's adjusting well and her family couldn't be happier with her! Congrats Cole to your second chance at a new life!
