

Be prepared!

Please make sure you are prepared in the event of any disaster by including your pet in all your preparation plans. For Category 1 and 2 hurricanes, Monroe County offers four shelters. They are located at;

- Key West High School
- Sugarloaf School
- Marathon High School
- Coral Shores High School

They are all pet-friendly, however there are requirements. You can find all the information you need including how to register your pet here: <https://www.monroe-county-fl.gov/938/Pet-Sheltering>
