November News from the FKSPCA!

Have you heard the news?

November 2024

FROM OUR DIRECTOR, TAMMY FOX

**A Heartfelt Thank You
for Your Support and
Dedication**

Dear Friends of the FKSPCA,

As the Executive Director, I am filled with gratitude for each of you: our donors, supporters, staff, volunteers, and board members. Your role is not just essential, but integral in transforming the lives of the animals we serve and in strengthening our community through compassion and care. You are the backbone of our organization, and we couldn't do it without you.

Your generosity and dedication make it possible for us to welcome and care for over 2,000 animals each year. For instance, your support has helped us rescue a dog named Bruno, who was in need of shelter through our Safe Haven program. Through our adoption, lost and found, and cruelty investigation programs, lives like Bruno's are saved, and families grow. The Safe Haven program provides a refuge for animals in crisis, our humane education and behavior counseling help pets and people thrive together, and our free and affordable spay, neuter, and wellness services prevent countless unwanted litters and keeps pets healthy. Every program, every initiative, and every success story, like Bruno's, is a direct reflection of the kindness and commitment you share with us.

This month, we're thrilled to launch our Mobile Spay, Neuter, and Wellness Clinic. Thanks to your incredible support, this clinic will bring crucial routine and preventative care directly to communities from Mile Marker 0 to Mile Marker 70. This means that pets in every corner of the Lower Keys, thanks to you, will have access to the care they need. Your support has made this possible, and we couldn't be prouder of what we've achieved together.

On behalf of our team, our board, and every animal whose life is touched by FKSPCA, I want to thank you from the bottom of my heart. We simply couldn't do this without you.

With sincere gratitude,

Tammy

Thank You to Our 2024 Fantasy Fest Royal Court!

Fantasy Fest 2024 is in the books and all we can say is: What a wild ride!

Thank you to our 2024 Royal Court for raising the much needed funds for all of the animals in our community to remain healthy, as well as for the animals in our shelters to remain well fed and loved while they await their new beginnings. We salute King Lisa Zee, Queen Marjory Lee, Duke Michael Vernon, and Duchess Elle Taylor. Thank you!

A big thank you to all of our Sponsors for our Coronation Event. Without the support of our community and our local businesses, we wouldn't be able to continue our lifesaving mission if it weren't for these kind folks. Please be sure to visit their businesses and thank them for their support of the animals: Our Presenting Sponsor [The Perry Hotel & Marina Key West](#); our Monarch Sponsor [Center Court Key West](#); our Majestic Sponsor [The Gardens Hotel](#); Our Highness Sponsors [Fury Water Adventures Key West](#), [Chris Massicotte for Monroe County Commissioner District 3](#), and the delightful Sue Turner; and last but

never least, the Conch Republic Aerospace Program (C.R.A.P.) for being our Regal Vibrator Sponsor.

On behalf of all of our cats, dogs, puppies, kittens, hamsters, bunnies, guinea pigs, hedgehogs, reptiles and birds, thank you.

Calling All Critters: Thanksgiving & New Year's Critter Camps Are On Line Now!

Critter Camp is a Day Camp program designed for children ages 7-12 years old who love animals. Held in the Education Room of the Key West SPCA Shelter, Critter Camp provides a fun, educational experience for campers and will add variety and enrichment to the lives of our

shelter animals.

During camp, children will learn how to safely interact with animals, make fun craft projects such as toys and treats, and receive behind-the-scenes lessons in pet care from our Animal Care, Clinic, and Animal Control Teams. In addition, campers will learn from Guest Speakers and take field trips to local animal-focused organizations throughout Key West.

There's no better time to become involved than now!

The Florida Keys SPCA Hits the Road!

While our FKSPCA Shelter locations in Key West and Marathon offer wellness services, as well as affordable and free spay/neuter services, there remains a pressing challenge in terms of access to care for pets in our community. Many pet owners simply lack transportation or the means to bring their pets into the shelter.

But not any longer.

Keep an eye out on US 1 and all roads from MM0 to MM70 as the new FKSPCA Mobile Spay Neuter and Wellness Clinic hits the road to ensure all of our community animals have a chance at affordable care.

The arrival of the Mobile Vet Clinic later this month will ensure that affordable spay/neuter services and routine medical care are accessible to all pet owners, eliminating the barriers posed by cost and transportation issues. This service will keep countless pets healthy and in their homes with their loving families.

The FKSPCA staff, board and volunteers wish to thank the 2023 Fantasy Fest King and Queen Candidates, their teams, Stanley Kovak, The Dogwood Foundation, and Steve Brenner and Darla Snyder, as well as every donor who threw their support behind the Fantasy Fest King and Queen Campaign.

These collective efforts have not only made this program possible; you are all true heroes and invaluable partners in our life-saving mission. We are deeply grateful for your unwavering support. Thank you!

Volunteers Needed in Marathon!

Calling all animal lovers, our Marathon campus is looking for volunteers! We have a variety of ways to volunteer so there is a place for animal lovers of all kinds!

If you're a cat lover, you can help us clean our Catio in the AM, socialize with our cats in the afternoon or tidy up at the end of the day. Not only will you be ensuring a clean and safe environment for the cats, but you'll also be enriching their lives with much-needed human

interaction and affection. Whether it's a playful pat, a gentle brush, or simply sitting quietly with a shy kitty, your presence is invaluable.

If you are interested in working with dogs, we offer various opportunities such as socializing, providing enrichment activities like playtime, training, walking, bathing, and taking them on outings. We provide training for all volunteers, ensuring that both you and the dogs have a safe and enjoyable time together. Whether you are an experienced dog handler or

a newcomer eager to learn, there is a place for you in our canine community.

We are also seeking volunteers interested in assisting with events or helping out at our front desk. This could involve completing essential tasks before events or participating in the excitement during events by bringing along an adoptable animal. At the front desk, responsibilities may include answering phones and handling office duties. If you have a love for animals and like engaging with the community, this is a fantastic chance to have a positive impact.

If you can't come in to volunteer but would like to foster we have a need for foster volunteers as well. Foster volunteers have the unique opportunity to volunteer from their own home! Whether it's a playful kitten, an energetic puppy, a sweet senior pet, or an animal with special medical needs, your care and attention can make a significant difference in their lives. During hurricane season, fostering becomes even more crucial. In the event of any hurricane, regardless of its category, we need fosters, as we must evacuate our shelter. We provide all necessary items for our fosters, all you need to do is provide them with a temporary, loving home!

Volunteering with us is a rewarding way to give back to the community and make a difference in the lives of animals in need. If you can spare a few hours a week or more, your contribution will be greatly appreciated. For more information or to sign up, please visit our website <https://fkspca.org/volunteer/how-to-volunteer/> or contact our volunteer coordinator Glennis at g.walters@fkspca.org. We can't wait to welcome you to our team!

Honk If You Love Our Animals!

*Asked a dog what she wanted to be
She said, "Baby, can't you see?
I wanna be adopted, a star on the scene"
But you can do something in between...*

The Florida Keys SPCA participates in a vehicle donation program with CARS, which is a unique - and easy - way to make an impactful gift to benefit our animals while they await their second chance at a new life.

CARS will pick up your car, truck, scooter, boat, motorcycle, SUV - or even plane - for FREE! No matter the condition!

They will then complete the sale of your donated vehicle which will directly benefit the homeless animals of the Florida Keys SPCA! All you

have to do is take the first step. The sale of even a single vehicle can make a BIG difference!

You receive a tax deduction, and proceeds from your vehicle sale directly help the Florida Keys SPCA and our mission!

Call 1-855-550-GIVE (4483) or click the button below to complete the online form.

When You Live in Paradise There's A Lot to be Thankful For!

From the days on the water to the sunsets at night, living in the Keys reminds us we have much to be thankful for. And so do the animals at the Florida Keys SPCA - and that includes you! Every t-shirt, hoodie, mug or other merchandise you purchase goes straight to help our animals while they await their second chance at a new life.

Show your love for the animals with our T-shirts, tanks, and more! We also have mugs, totes, hats and more to keep you looking cool whether on the water or at home!

There's nothing cooler than helping to save a life!

Did Somebody Say Kittens?!

Our Marathon Campus will soon have kittens to adopt! As kitten season comes to an end, there is still time to bring a new kitten into your home and heart!

5 little kittens were found as an abandoned litter at just one month old. Whenever kittens arrive at the shelter that need bottle feeding, weaning, socialization, or just time until they're old enough to be adopted, we do our best to place them promptly into a foster home where they can receive all the extra care they need until it's time to find them a forever home. These adorable siblings were lucky enough to land themselves in the comforts of a foster home where they have grown into playful, adorable, loving kitties almost ready for their new lives.

To learn more about our upcoming kittens [please give our Marathon Campus a call at 305-743-4800](#) or stop in today and ask for an adoption application!

Meet Gregg ~ He Needs A Home to Call His Own

365 days ago Gregg was found by Good Samaritans as a stray in Marathon. As a young, handsome, black and white cow-dog, we never could've imagined that an entire year would pass by without any interest in Gregg. As the days wore on, the once smiling, energetic, bright eyed dog was slowly being replaced with a much quieter, more defeated version. The light was slowly fading as the days wore on.

Our fantastic staff and volunteers noticed Gregg seemed "off." He would resist going in his kennel,

or resist going outside. It was easy to tell he was giving up and just wanted to be left alone. We weren't about to let that happen! We switched up his routine, boosted his enrichment and some really cool volunteers started taking him on more adventures, like to the beach or Crane point for some off Campus fun. He even got a cheeseburger, or two. Heck, our own Animal Control Officer deputized him for a day on the road helping fight crime!

It's the best we can do for Gregg for now, but the reality is, the shelter is no home for any dog. What Gregg really needs is a family. Gregg would prefer to be an only pet. He'd love to hang out on Sundays and kick back a cold glass of water while watching football, or chilling out at the beach like a true Keys dog. He may be a good fit for the right dog, but one thing is for sure, Gregg does not like cats (or Iguanas). If you want a buddy, a pal, a handsome love bug to call your very own, then don't let Gregg wait another day! You can meet him at our Marathon Campus, or visit us online at <https://fkspca.org/adopt/adopt-a-dog/> today to fill out an online adoption application. For more on Gregg, give us a call at 305-743-4800.

Indy is Ready For Her Next Adventure: A New Home!

Meet Indy, the Sweetheart of the Shelter!

Indy is a remarkable 7-year-old pit bull with a heart as warm as a Key West sunset. She wandered into our lives back in July of 2024, found as a stray on the streets of Key West, though why this gentle, well-behaved

girl was ever without a home is beyond us. From the moment she arrived, Indy's sweet nature has been impossible to resist.

Indy is the kind of dog who brings joy wherever she goes. She's polite, gentle, and an absolute pro at fetch! She'll happily run with the wind in her ears, chasing after a ball like it's her greatest mission. Indy adores people and has shown nothing but kindness and compassion to everyone here at the shelter. She's

captured the hearts of the staff and volunteers, becoming a favorite for her calm, loving demeanor and joyful energy.

This amazing girl deserves a loving forever home where she can feel that same love in return. Indy is ready to be someone's loyal companion, adventure buddy, and the sweetest friend you'll ever have.

Could that home be with you? Visit Indy in person at our Key West Campus: 5711 College Rd, or learn more about her and our adoption process at <https://fkspca.org/adopt/adopt-a-dog/>. Let's find Indy the forever family she deserves!

Sweet Cricket Sees With Her Heart!

Meet Cricket, Our Golden Paw Calico! 🌟

At 11 years old, Cricket is a beautiful senior calico with a soft spirit and an even softer purr. As a proud member of our Golden Paw Program, Cricket's adoption fee is waived, and she's ready to find a special forever home. Cricket is blind and deaf, which means she sometimes gets startled by sudden touches—but as soon as she picks up your scent, she melts right into those beloved pets she can't get enough of.

Blind and deaf cats like Cricket adapt incredibly well, and with a consistent environment, they can enjoy safe, full, and happy lives. Many

people don't realize that these cats develop their senses of smell, touch, and even their whiskers to navigate comfortably.

Cricket might need a bit more patience as she gets her bearings, but once she's familiar, she's one of the easiest cats to care for—content, tidy, and clean, with a gentle routine of naps and light strolls around her space.

Cricket is looking for a calm, loving home where she can feel safe and adored. If you'd love a quiet companion who just needs your scent and gentle presence to feel at ease, Cricket could be your perfect match.

Come meet her at the Florida Keys SPCA Key West Campus at 5711 College Rd, Key West, or learn more about her on our website at fkspca.org/adopt/adopt-a-cat/. This sweet soul deserves all the love in the world—and she's ready to give it right back!

There's No Sweeter Buns at Our Key West Shelter!

Meet Valentine, the Sweetheart Bunny! 🐰

Valentine is a 2-year-old white and brindle rabbit with a heart as big as her ears! She's an absolute lovebug who's happiest when she's being petted and soaking up attention from her human friends. Valentine is gentle, friendly, and has the sweetest little personality. She is the perfect companion for

anyone!

Rabbits like her are often misunderstood, so here are a few fun rabbit facts that might surprise you:

- Rabbits are social creatures! They enjoy companionship, both human and other bunnies, and can bond strongly with those they love.
- They're incredibly clean! Rabbits groom themselves meticulously, much like cats do, and with the right setup, they can even be litter trained.
- Valentine is ready for indoor living! Rabbits thrive indoors where they can safely explore, hop, and play. Just a bit of bunny-proofing, and you're set for some indoor bunny adventures!

You can visit her at the Florida Keys SPCA Key West Campus at 5711 College Rd, Key West, or find out more online at [fkspca.org/adopt/adopt-](https://fkspca.org/adopt/adopt-a-cat/)

**IMPORTANT NEWS FOR
OUR MILITARY SERVICE
MEMBERS
AND THEIR PETS:**

Department of Defense Approves
Policy to Reimburse Pet
Expenses Due to a Permanent
Change of Station

The Department of Defense has approved a new policy to cover pet travel expenses, like pet shipping or quarantine fees, incurred by Service members during a Permanent Change of Station (PCS).

As of January 1, 2024, military Service members going through a PCS within the continental United States can be reimbursed up to \$550 for one household pet, either cat or dog, and up to \$2,000 for moves to or from a location outside the continental United States to cover costs related to the transportation of a pet.

The Services estimate that this new allowance may be used by an estimated 227,000 Service members. Historically, Service members paid the majority of out-of-pocket expenses to transport pets when assigned to a new duty station. This policy reduces that financial burden while recognizing the important role a pet plays in a military family's household.

An Adoption Tail 6 Years in the Making!

We have the most pawsitively heartwarming news to share! 🐾

Our longest residents, Dreamsicle and Meech, finally found their forever home together last month! After more than six years at our campus (yes, you read that right – over six years!), these two bonded besties are now living the life they always dreamed of.

It's no easy feat to find a home willing to adopt a pair, especially one as tight-knit as these two – but just when we thought all hope was lost, a kind gentleman came along, felt an instant connection, and took them both

home! Now Dreamsicle and Meech are living their best lives, side-by-side,
as they were always meant to be. 🐾

A huge thank you to everyone who rooted for these two – your support
helped make this happily-ever-after possible!

*****Did you adopt an animal from our Key West or Marathon campus and
have an update for us? Let us know! We love hearing your success stories
and updates on the animals who have come and gone at our shelter. You
